About our Parish...

The life of our parish has been intimately tied to St. Padre Pio. The parish was established and founded on June 16, 2002, the same day that St. Padre Pio was canonized in Rome by Pope John Paul II. The church was opened and dedicated by Archbishop Thomas Collins on September 23, 2010, the feast day of St. Padre Pio. It is the first church in Canada built in his honour and contains a number of his relics, including his gloves and chalice.

Throughout the years, thousands of people have come here to find healing and consolation through the intercession of St. Padre Pio. What began as a "mustard seed" fourteen years ago, has

grown into a large, welcoming community with over 4,000 families and more than 30 ministries. Although the church itself can accommodate the large crowds, there is an urgent need for meeting spaces for the various parish groups which continue to meet in homes or at the schools. With the support of initiatives like the golf tournament and annual gala, we will begin the construction of much-needed meeting rooms in the basement of the church. This will allow us to address the needs of our current ministries and give us the room to expand our outreach to parishioners in years to come.

"Let us try to serve the Lord with all our heart and will. He will always give us more than we deserve."

St. Padre Pio
