

PRAISE AND THANKS

June 1, 2021

Thank You, dear St. Padre Pio for your intercession in healing my brother, Mario Malabanan Aguila, from his fight against Covid-19. He was in the ICU since April 13, 2021 but had been moved recently on May 30th, to a regular room for recovery at St. Michael's Hospital in Toronto. It's still a long way to go for his full recovery but we trust in your powerful healing hand and the intercession of our dear Mother Mary and the intercession of Jesus Christ, our Saviour, who lives and reigns with the Father and the Holy Spirit, God, forever and ever. Amen.
